Dear KIS Parents,

As you know, our Middle School Principal for next year, Jim Slaid, has been on campus this past week. Many of you met him and got to ask questions. He also spent considerable time with current Middle School teachers and with Dr. Lovelin and Dr. Bowie. We are very pleased with the smooth transition we expect to have with our Middle School leadership as we prepare for next year.

While Mr. Slaid was here, he interviewed internal candidates for the Middle School Associate Principal position and made a decision to appoint Mr. Eric Majors as the next Middle School Associate Principal. Mr. Majors will assume Dr. Bowie's role beginning next fall.

Mr. Majors brings his experience as Principal of the KIS Summer Program for the past two years to this new position. He has also been a key part of the KIS music program for the past three years and of well-known music programs previously in the U.S.

Please congratulate Mr. Majors on his new leadership responsibility when you see him. We believe he and Mr. Slaid will make an excellent team for the Middle School. We are currently recruiting a new band director for the High School.

Sincerely,
